⌚; This traditional villa is situated on a flat, sunny plot of 1000 m2 and offers lovely views over the wooded hills behind Javea. The villa is south-facing and spread over two floors. You enter a very spacious naya, from where there is access to the living-dining room with a bar. The living-dining room is characterised by the traditional arches made of Tosca stone and the high ceilin...(Ask for More Details!)
