We are pleased to offer this unusual property which was built in 1980, completely renovated in 2015 and which really needs to be seen to appreciate what it can offer to those with vision. The 366m<sup>2</sup> townhouse occupies the full 4 stories of the building and offers a choice of uses. It could be one large family home or two families could have a floor each – with either option having the pos...(Ask for More Details!)
